Dear Mr. Blubaugh - based on the information you have provided, an extension
t

o February 14th 2003, is approved. If any of the information should be
available prior to that date, we would appreciate a partial response.
However, we will look forward to the submission arriving on February 14th.

Sincerely

Richard Boyd, Chief
Medium & Heavy Duty Truck Division

Mr. Boyd:

I am writing to inform you that I am unable to provide a complete response
to your Dec. 3, 2002 request for information regarding ArvinMeritor FF98x
front axle unitized wheel-ends (re: PE02-088). Freightliner's offices will
close Dec. 24 for the holidays, followed by a mandatory shut-down, and
reopen Jan. 13, 2002. To be able to gather information from the appropriate
Freightliner personnel, and provide complete and accurate answers to your
questions, I am requesting an extension to the Jan. 17 due date. Please
respond with your approval for Freightliner to submit a complete response by
Feb. 14, 2002. If you have any questions, do not hesitate to contact Ian
Dawson or me.

Cordially,

Tim Blubaugh
